VICE PRINCIPAL'S MESSAGE

Leadership begins with responsibility, respect, and the courage to do what is right. Every student has the potential to inspire others through kindness, honesty, and teamwork. True leaders learn from challenges and lead by example. Believe in yourself, support your classmates, and strive to make a positive difference every day. Together, let us build a school community that reflects confidence, compassion, and excellence

THOUGHT OF THE MONTH

As we begin August, let's remember the good lessons we learned in July. Every day gave us a new chance to learn, help others, and become better students. Let us carry these good habits into August and continue to learn, grow, and shine together.

SCHOOL HIGHLIGHTS

ACHIEVEMENTS

Our students actively participated in various competitions such as Silambam, Brain o Brain, and Classical Dance. Their hard work, dedication, and talent brought great pride to our school. We are happy to share that the participants received certificates and medals for their wonderful performances. We congratulate all our young achievers and encourage them to continue exploring their talents and reaching new heights.

CELEBRATIONS

DOCTOR'S DAY

Doctors' Day was celebrated in our school for students from KG to Class X. Students took part in activities and learned about the importance of doctors. An eye camp was also conducted for the students.

INVESTITURE CEREMONY

The Investiture Ceremony was conducted in our school with great enthusiasm. Student leaders received their badges and took an oath to perform their duties with responsibility and dedication. The ceremony encouraged students to develop leadership qualities and confidence.

FIELD TRIP

Our students went on an exciting field trip to places like Avathanipatti, KRP Dam, Jeenur, and Thally Rose Garden. The trip provided students with a wonderful opportunity to explore new places, enjoy nature, and learn through experience. It was a memorable and enjoyable day for everyone

DRAWING COMPETITION

A drawing competition was conducted for students from Grade I to VIII. Students participated with great interest and showcased their creativity and artistic skills. The competition encouraged students to express their ideas through colours and drawings

AIRPORT ACTIVITY

An interesting airport activity was conducted for KG students. Children learned about airports, airplanes, and the roles of pilots and passengers through fun activities. It was an enjoyable and learning experience for our little ones

KAMARAJAR'S DAY

Kamarajar's Day was celebrated in our school with respect and enthusiasm. Students learned about the life, achievements, and contributions of Shri Kamarajar. Various activities were conducted to remember his service and inspire students

FOOD TRADITION ACTIVITY

A Food Tradition activity was conducted for KG students. Children learned about different traditional foods and enjoyed exploring various tastes and cultures through fun activities. It was a joyful and memorable learning experience for our little ones

BIRTHDAY CELEBRATION

Our Grade I student, R. Mohammed Ayan, celebrated his birthday by gifting a sapling to the school. We wish him a very Happy Birthday and appreciate his thoughtful gesture towards a greener environment
